## Pretty Summer Wedding For Arline Ralph And Steve Bartosic

A very lovely wedding was solemnized in the Relief Society Room at the Stake House on July 8th, when Arline Ralph youngest daughter of Mr. and Mrs. Fred Ralph became the bride of Steven Charles Bartosic son of Mr. S. Bartosic and the late Mrs. S. Bartosic all of Raymond.

Relief Society Room was beautifully decorated with pink and white streamers, summer flowers and three tiered wedding cake.

The bride was lovely in white nylon and lace. Her three-quarter length veil cascaded from a white nylon cap. Her bouquet was of bronze carnations.

She entered on the arm of her father to the strains of the wedding march played by Mrs. Emma Dahl.

Her sister Mrs. Marie Witbeck was matron of honor in mauve net, with Della Helgeson and Joan Jessop in rose net and yellow net over taffeta respectively, as bride maids.

Three little nieces of the bride Laurlyn and Lorris Witbeck and Linda Ralph were very charming in matching dresses of frosted organza of mauve, green and yellow were flower girls.

The groom was supported by Jan Christian, as best man, Dean Garner and Ronald Stevenson. With Jack Ralph, Jerry Witbeck, Jerry Bartosic and Art Robinson as ushers.

A reception followed the ceremony with Mr. and Mrs. Fred Ralph and Mr. Bartosic joining the wedding party in the receiving line.

For her daughter's wedding Mrs. Ralph chose a dress of flowered blue taffeta with a corsage of red roses.

Bill (Seminary) Nalder was Master of Ceremonies with the following program: piano selections by Maxine Dahl, Readings by Geraldine Palmer songs by Don Petrack accompanied by himself on the guitar. Reed Erickson of Lethbridge toasted the bride to which the groom responded.

Wilma Jensen of Lethbridge was in charge of the guest book with Elayne Nalder, Doris Helgeson and Maxine Dahl looking after the many lovely gifts.

Rose Cheez, Dolly Strum, Kathy Tackach, Karen McLean and Sandra Kirkham serving the delicious lunch.

For her honeymoon trip to Waterton Kallispell and points south the bride chose a red knit suit topped by a coat of white and white accessories complimented by a corsage of red roses.

Upon their return the happy couple will make their home in Coutts, where they are both employed.

Friends and relatives from Magrath, Lethbridge, Picture Butte, Coutts as well as Raymond were present to wish them happiness.

Mr. and Mrs. Glen Walker and son were Sunday guests at the home of his parents Mr. and Mrs. J. H. Walker when a family get-together was enjoyed. Glen has been studying medicine at Montreal.

Mr. and Mrs. T. Geo. Wood have enjoyed a visit from Mr. Wood's brother and wife Mr. and Mrs. Arthur Wood of Salt Lake. They were accompanied by their daughter and son-in-law and children, Dr. and Mrs. Challis.

Mr. and Mrs. Jack Kenney, Hilda Bucknell and Mona Palmer are spending a few days in Great Falls this week on a short vacation.

## Stampede Successful But Not Financially

The short, heavy rain on Tuesday afternoon, June 30, caused plenty of concern for those in charge of Raymond's Annual Stampede and Race Meet but as it turned out it was just what the doctor ordered.

This annual event got started off Tuesday evening before a disappointingly small crowd, a tendency that somewhat carried over into July 1st. The cowboys were working on a go-round arrangement with the Macleod-Claresholm show which meant that top-notch rodeo artists participated in both shows.

Wednesday morning saw the usual Raymond-parade perfection shown in the many floats, decorated cars and other entries in the almost mile long procession. The Rotary Club was in charge of the parade again this year and did their usual bang-up job of providing the thousands who lined the parade route with a top-notch show that showed the many, many hours of work on the part of those putting in entries. Clarence Allred with his Boy Scouts, Oxen and Pioneer Wagon again created lots of interest with their entry.

This year the parade was enlivened considerably by the antics of two well painted and costumed clowns. David Roberts, his friend, and their faithful old limousine came out from Lethbridge to add another touch of humor with their pranks.

(continued on page three)

Mrs. Ruth Nalder and Mrs. Dorothy Nielson were guests at the home of Mrs. Emma Coleman in Magrath Wednesday night when she entertained in honor of her daughter visiting from the States. Old school friends now residing in various parts of Southern Alberta enjoyed catching up on news and reminiscing over the old.

## Not A Way To Gain Friends

We noticed an example of extreme rudeness and ignorance the other day—

Some tourists from the States stopped at the main intersection of town and asked a group of teen-age boys where someone lived. Having just finished listening to one of their favorite western artists in one of the cafes, all they could think of doing was whooping and hollering with absolutely no heed being taken of the lady's question.

What a sure way to give visitors a bad impression of our town. Incidentally, directions were given to the visitors by another citizen.

## Air Cadets To Travel To Coast

About 25 Air Cadets, accompanied by their officers will leave Raymond on the 1:45 train on Monday August 1st, for a two week stay at the RCAF Station at Abbotsford, B. C. Pilot Officer Bill Mehew, C. O. of the local Squadron, Gordon Stone and Ken Shaw will also make the trip as will Muneeo Takeda who is President of the Civilian Committee sponsoring the Squadron.

While in Abbotsford the boys will take part in a full sports program as well as take instruction in meteorology, navigation etc., with one high light of their stay being a flight over the city of Vancouver. An auto tour of that city is also scheduled. The boys will also be given the opportunity of doing some dual flying in light planes.

We hear also that a bit of salmon fishing is scheduled for some of the piscatorial artists.

The Douglas Paxman home was the scene of much visiting and activity on Sunday when a Paxman Reunion was held in honor of Mr. and Mrs. Ed. Paxman of Los Angeles. Other members of the family present were Mr. and Mrs. Chris Tollestrup, Mr. and Mrs. Charles Romeril, Mr. and Mrs. Willard Paxman, Mr. and Mrs. Ezra Paxman of Glenwood, and Mr. and Mrs. Earl Greiger of Barnwell and Virginia, Kate and Carmie.

After the delicious dinner memories were exchanged and genealogy work done.

## Roads May Be Oiled

The dust problem along Broadway may be a thing of the past soon when plans are completed. Sparked by the Chamber of Commerce, a drive is on now to have this street and possibly several others in town oiled. Work is scheduled to start in the very near future.

Mr. and Mrs. Joe Thompson are visiting their daughter and son-in-law Mr. and Mrs. Les Robinson, in Fort Macleod.

ROTE SPOKES

The Rotary Club's cattle and sheep are no more! In their place is slightly over six hundred dollars the Club ear-marked last winter for the Memorial Library Building Fund. The draw for the livestock was made at the big Cowboy Ball on July 1st with Gilbert Wells drawing the names of the lucky winners from the box.

Virginia Rolison was the first prize winner with Rodney Barr and John Toth, of Iron Springs, taking the other two. Rulon Dahl and Robbie Slover won the two lambs.

Much credit is due the men back of the draw and those who donated the animals, for their contribution to this community project.

Jim Grant is the new President of the Raymond Rotary Club for the next year with Gilbert Wells as Vice-President and Fritz Dahl as Secretary. Lincoln Wood is the Past President.

Mr. and Mrs. L. M. Adams had as their guests last week their daughter and her husband, Mr. and Mrs. Jack Brady and family of Salt Lake. The Bradys were accompanied by friends from that city Mr. and Mrs. Howard Durfee.

Mr. and Mrs. Paul F. Schneider, Mr. and Mrs. H. P. Schneider, Geraldine and Mr. and Mrs. Ivan Wilde and family motored to Cardston and Leavitt on Wednesday to try their luck at fishing. Although the fish weren't biting; they all had a wonderful time.

## An Open Letter

To The Farmers of Raymond and District,

Re: Irrigation Water

The Chamber of Commerce has been trying for a number of years to get the Welling-Craddock road hardsurfaced. This has been promised several times but something always comes up to delay it. In recent weeks the Chamber has been petitioning the Minister of Highways and other government officials with considerable zeal trying to get work started this fall.

As most of you know, a government inspector was down earlier this summer to take traffic counts and to make a report on the conditions of the road. The traffic count was alright but the inspector turned in a negative report on the road's condition. Besides the soft spots the inspector informed the officials that a considerable amount of waste irrigation water was being allowed to run off into the barrow-pits. The government takes a dim view of this as they say that this water undermines the road bed and weakens the structure of the road. The Highways Department have repeatedly used this as excuse for not giving us hardsurfacing so the Chamber of Commerce sincerely begs the water users along this road and those adjacent to them, to take extreme precautions against this being allowed to happen. The Department will continue to use this as an out as long as it is allowed to happen, so for the good of the community as a whole please exercise due care with your irrigation water.

The Minister of Highways, the Hon. Gordon Taylor, with members of his Department and the Hon. L. C. Halmrast, member for this Constituency, will be down here to make a personal inspection of this whole road and to attend a meeting, as advertised below, to discuss this problem. Your attendance at this meeting may be the difference between success and failure as far as this hardsurfacing project is concerned so we ask your full co-operation—no water in the barrow-pits and your attendance at this meeting.

Yours very truly,  
Your Chamber of Com.

Mr. and Mrs. Percy Cope travelled by train to Winnipeg where they will spend a short holiday.

Mrs. Vella Holt entertained a few in honor of Murray's and Mrs. Bruce Galbraith's birthdays. A pleasant evening of chatting was enjoyed by the friends Sunday evening after church Galbraiths, Golden Snobs, Wally Wildes, Ted Meeks, Ken Stones and Mrs. Beth Walker, after which a very tasty lunch was served.

Mr. and Mrs. Jay Salmon and baby of Edmonton visited friends and relatives in town this week. After visiting her parents the Weinheimers in Welling, they spent a few days in Taber with his folks the Ross Salmons.

## C of C Offers Thanks For Stampede Co-operation

On behalf of the Raymond and District Chamber of Commerce we wish to thank you for your support in our Annual Parade, Stampede and Race Meet Celebration. While there are many who should be given special mention, difficulties are usually brought about in making individual mention by unintentional omissions, so we just say thanks to one and all for your loyal support.

You will note in reviewing the results of the two day venture, that the celebration was a success, but not profitable from a financial standpoint. We feel that considerable improvement can be made in plans for another year if made at an early date. We should very much appreciate an expression from you as to suggestions for this yearly holiday in order that a good cross section of opinion might be taken to the governing body of the town for their instructions for ensuing years. This can be done by contacting a member of the Chamber of Commerce Executive in person or by writing a note in care of the Secretary.

(continued on page three)

Mr. and Mrs. Ted Meeks attended the Cardston Stampede this week; of particular interest were the races, in which their horse was running.

## Co-terminus Boundaries To Be Discussed

A Public Meeting of interest to all citizens will be held in the Town Hall on August 4th at 8:30 p.m. for the purpose of discussing the proposed plan of making the boundaries of the Municipal District and School District the same.

This question of co-terminus boundaries is of vital importance to all local ratepayers, and the Raymond and District Chamber of Commerce who is sponsoring the meeting, urge everyone to attend.

## LIBERAL CANDIDATE

ERNE MCFARLAND  
Liberal Candidate for the Lethbridge Constituency in the forthcoming Federal Election, on August 10.

## Mildred Wilde And Loren Mendenhall Wed In Temple

Recent summer nuptials held in the Alberta Temple united in marriage Mildred Wilde, daughter of Mrs. Katie Wilde and the late Mr. Wilde of Welling and Loren Mendenhall, son of Mr. and Mrs. T. T. Mendenhall. President Lloyd Cahoon officiated in the presence of close friends and relatives.

The bride chose a gown designed with a full skirt of lace with net insets over satin, and self covered buttons fastened the bodice from waist to the Peter Pan collar. A lovely finger tip veil fell from a coronet sparkling with brilliant and seed pearls and her bride bouquet was red roses and white carnations.

Maid of Honor Anita Bullock and Ruth Fisher and Dawn Mendenhall wore pink gowns while carrying nosegays of mixed flowers as did the little flower girls Grace Mendenhall and Marlyn Wolsey. Mrs. Wilde chose a navy sheer frock, complimented by a pink carnation corsage, for her daughter's wedding, while the groom's mother wore a grey dress and pink carnations.

Gordon Snow was the groom's best man.

Mr. and Mrs. John Wolsey greeted the guests as they called at the reception to honor the newlyweds while Mrs. Ruth Wilde presided at the guest book.

The gifts were arranged by Hazel Fairbanks, Carmie Paxman, Pat Mitchell and Nola Atwood. Mr. and Mrs. John Drewery were in charge of the Buffet lunch which was served from a table decorated with streamers and pink and white peonies. The brides table was centered by a three tiered wedding cake on which sat tiny pink rosebuds; and Smilax and yellow rose buds encircled the cake.

During the program which was emceed by John Wolsey, the bridal couple sat on a settee draped in white under a pink canopy. Baskets of cut flowers were placed about the hall.

Jeanine Jensen sang "The Sunshine of Your Smile" as the first number on the program after which Ray Bullock sang "O Promise Me", followed by a duet by Mr. and Mrs. John Wolsey. The newlyweds Romance was told in Reading by Meleane Wilde before Doreen and Harold Chipman sang "The Sweetest Story Ever Told". "At Dawning" was sung by Vanda and Elmer Wilde following which Glen Stringham read "The Brides Prayer" and "The Groom's Prayer" followed by a violin and saxophone duet "Some-time" by Bernice and Larry Dahl. "One Alone" was rendered by Ralph Rhea after which Dawn Mendenhall and Margaret Stone sang "I'll Walk Beside You with the concluding number being "My Hero" sung by Ruth Fisher. The toast was proposed by Alvin Bullock with the groom responding.

When they left for their honeymoon trip to Waterton and Kallispell Mrs. Mendenhall wore a light blue bengaline suite with white accessories and a corsage of red roses.

They are making their home in Welling until this fall when the groom plans to attend school at Calgary.

Mr. and Mrs. Bryant Jensen, Brenda and Margaret, Mrs. John MacPhee and Robin and Barbara left Thursday morning for Edmonton to attend the reception of their brother Philip and Nedra.

Upon being invited to attend a social function in connection with my husband's business, I set about purchasing some new clothes to wear.

By the time I had blouse, gloves and purse, my budget was wearing thin; so when I saw a cute little hat on sale for \$1.98 I bought it.

The party was being held in a swank Beverly Hills Hotel. As we entered I noticed all the lovely clothes being worn by the wives of other businessmen present. I felt as well dressed as any of them but a little bit uneasy about my hat.

We sat at a table of ten and chatted exchanged dances, and enjoyed a lovely dinner party. I had such a good time I forgot all about my hat and was perfectly suitable for the occasion.

Upon returning home, I discovered that the price tag boldly bearing the tell-tale "\$1.98" had been hanging from the back of my hat all evening!
